

a little thanks...

To all the windmilers

We cannot thank you all enough for being with us last Friday in memory of Ian and for everything that everyone did for Ian that fateful morning on Parkside. It was a huge comfort to see so many of Ian's running mates there in church and the one minute silence you held will forever stay in Craig's mind I know - I am sorry I wasn't there.

Ian loved his Sunday morning runs but more importantly the friends and chats he made and that is a testament to the wonderful club you have.

I will be back I promise in the New Year - Laura is going to do the 3 mile with me she says. Much love
Caroline xx, Craig & Laura
